Tuesday 7 July 2026
 Start and Finish at The George, Upper Denby
 There are 4 control points to visit, in any order and by any legal route (apart from the section of Wakefield Road, passing The Pie Hall in Denby Dale, marked XXX which is out of bounds. The control points are:
 A. Footpath junction near Toby Wood Farm
 B. Footpath Junction near Top o'th'Close Farm
 C. Footpath junction on Gilthwaites Lane, to the west of Skelmanthorpe football field.
 D. Footpath junction on Gilthwaites Lane, near Denby Dale First School.

Denby Dale Club Handicap Race

Tuesday 7 July 2026 – Start and Finish at The George, Upper Denby

If you would like to run in the Club Handicap, please let Pete Andrew know and let him have a recent 10k, ParkRun or cross country race time, if you have one (peter47andrews@gmail.com). It's a race anyone can win as the quicker runs will have a time penalty!

There are four control points to visit in any order and by any legal route, except that a short section of A636 Wakefield Road through Denby Dale, passing the Pie Hall is out of bounds (marked XXX on the course map). The race distance should be just under 9.5km, depending on the route taken!

There will be a clearly visible 'clue' to note at each control point, which you'll be asked about at the finish. The control points are shown on the course map and in the photographs below. As far as possible, the clues will be tied to a gate post or marker post shown in photographs.

Control A: Footpath Junction near Toby Wood Farm

This view is looking towards Upper
Cumberworth

**Control B: Footpath Junction near
Top'o'th Close Farm**

Please Note – don't use the access road
to the farm as this is not a right of way

**Control C: Gilthwaites Lane, to the
west of Skelmanthorpe Football Field**

This view is looking towards Lane
Hackings and Lower Cumberworth

**Control D: Gilthwaites Lane,
opposite Denby Dale First School**

This view is looking along the
footpath towards Withy Wood
